Clip sellers Terms and conditions

General: There is no initial fee not any kind of setup cost for clip sellers. We welcome active professional and amateur clip producers who do provide high quality frequently updated content, preferably exclusively with us or at least not to be found on every corner on the internet. Producers who just sell clips with us are preferred and we will support their own promotion efforts by promoting their content on our cost with our advertising partners.

Clips: Minimum playtime is 3 Minutes, minimum price tag is US\$ 4.99, minimum frame size is 640 x 480 and our customers and we expect at least good Quality - HD/HDV is welcome. Actually we distribute clips, encoded in wmv, divx, mov, mpg, mp4 and avi - for other formats please ask or check our producer news. Please always check your clip before you load and release it to avoid customer complaint. Advertising any URLs in clip texts is not allowed - producers who just do offer their clips with clips4all please contact us for exceptions.

Previews: Are automatically generated by our software (animated GIFs) for most formats so far BUT producers are welcome to upload their own previews of course, up to a limit of 900KB per clip.

Content restrictions: No nudity / Adult; if in doubt, please ask us. Clips4all is monitoring compliance.

Animal videos: respect the local law as well as the animals itself. Full weight dog riding is not allowed.

Clarification (Jan. 21, 2013): All kind of intentional or senseless abuse of animals is forbidden. However we tolerate and respect cultural and regional diversity concerning interpretation of dealing / handling, especially regarding domains like Barrel Race, Rodeo, Chapa, Escaramuza aso. which are being judged divers in different cultural circles.

Producer data: All data entered by the producer while opening the shop has to be accurate and is kept confidential, same as customer and other data here with clips4all. Please especially take care about your Bank data, as wrong accounts and number lead into needless fees, charged by the Banks.

Producer clip income: Clip income payout ratio is 60%, wired in US\$ each month to a bank account of the producers choice. We do not retain a certain amount for eventual charge backs or fraud. We cover all such events, except double orders of the same clip, Business Cards missuse and corrupt clip files. All sales and income is processed in real time and can be constantly followed and monitored by the Producer / shop owner online without interrupt 7x24x365. Each time a clip is sold in addition, the producer will get instant e-mail notification including sales data. At the end of each month or when payout runs are executed, a ranking of what clip sold best (within the concerned producers clip range) is provided online as well.

Support: Clips4all.com is online 24/7 365 days - e-mails (please use the contact form) will be answered as fast as possible. We host, store and distribute all clips on our secure Linux servers. Credit card processing is with 128bit secure SSL technology and all credit card transactions will be discreetly billed showing IMS Internet as text. We are always here to support Customers as well as Producers and we are speaking English, Italian, French and German. E-mail + Phone support (trouble shooting) is provided from 08:00 - 23:00 CET
